VALDEPEÑAS DE JAÉN

FIESTAS REALENGAS (XVI C.)

Hear ye! hear ye!
By the grace of God and the position that I have entrusted, your honours are invited to the enjoyment and delight of the Fiestas de la Villa Realenga that will take place in Valdepeñas de Jaén on 10th, 11th and 12th of august of the present year, in which you will enjoy the outpouring of joy, gluttony and knowledge.

All the past history, that settled the ossuaries will pass promptly before your eyes, pieces of our history will adorn the streets with verses and melodies, jugglers and healers, ladies and gentlemen, craftsmen, merchants, and forgotten guilds present in other times.

This year we will take you on a journey of the life of the people who settled in this village of mills, dresses, valuable coins, and all the singularity of the past of our ancestors, where the seed of everything that we are today was sowed.

I would like you to accept this invitation, requesting God to guide you by roads and paths that will bring you to this village where, surely, you will find happiness.

THE MAYORESS
Laura Nieto Jaenes
